

## RESUME

Karl Francis Alberto

Studying Coding, Cloud & Cybersecurity

Coder Academy - 2021

Experienced professional with a strong background in software development, cloud computing, and cybersecurity. Seeking a challenging role where I can utilize my skills and contribute to the success of the organization.

## SKILLS

- Programming Languages: Python, JavaScript, Java, C++
- Web Development: HTML, CSS, React, Node.js
- Cloud Computing: AWS, Azure, Google Cloud
- Security: Network Security, Cryptography, Penetration Testing
- Tools: Git, Docker, Kubernetes, Jenkins
- Soft Skills: Communication, Teamwork, Problem Solving

## EXPERIENCE

**Software Engineer** | ABC Company | 2018 - 2021

- Developed and maintained web applications using Python and JavaScript.
- Collaborated with the design team to create user-friendly interfaces.
- Implemented security measures to protect user data and system integrity.
- Participated in code reviews and testing to ensure high quality.

**Cloud Engineer** | DEF Company | 2019 - 2021

- Managed cloud infrastructure on AWS and Azure.
- Automated deployment processes using CI/CD pipelines.
- Optimized cloud resources to reduce costs and improve performance.
- Conducted security audits and vulnerability assessments.

**Education**  
Bachelor's Degree in Computer Science  
University of XYZ  
2015 - 2019

**Certifications**  
AWS Certified Solutions Architect  
Google Cloud Professional Engineer  
Security+ Certification

## EDUCATION

B.S. Computer Science | University of XYZ | 2019  
M.S. Cloud Computing | University of ABC | 2020  
Ph.D. Cybersecurity | University of DEF | 2021
